# Africa Opportunity Fund Offers Avenues For Help

The biggest news of 1961 will probably be about Africa. The "dark continent" is lighting up with fires of discontent and race conflict, and also with beacons of progress and new liberty. What is happening in Africa will change our world, for better or for worse.

We have an opportunity to do something about these great events in Africa. This chance is ours through the Africa Opportunity Fund, sponsored by two great agencies of our church: The American Board of Commissioners for Foreign Missions and the American Missionary Association.

The Africa Opportunity Fund was started with a gift of \$65,000 from the American Board, but it needs a great deal more help from people all over America in order to do the big job which Christians have on their hands in Africa. Here are some of the things the Africa Opportunity Fund will accomplish with your help:

Give special training, on the job, to African pastors who have had too little schooling and too narrow an experience to lead their churches effectively in these critical days.

Enlarge facilities for theological education to five times their present limited capacity.

Stimulate a crash program to train school teachers and administrators here and in Africa, and to expand high school facilities.

Recruit and send skilled American teachers for emergency short-term service while Africans are educated.

Assistance to persons deprived of liberty, jobs and property because they have championed human freedom.

Food, clothing and shelter where emergency relief is needed.

Provision of administrators and technicians for posts of critical responsibility in churches and public agencies while Africans are being trained for these positions.

Contributions to make this program possible should be sent to Africa Opportunity Fund. American Board of Commissioners for Foreign Missions, 14 Beacon Street, Boston 8, Massachusetts. Since this is a project over and above regular Our Christian World Mission efforts, no apportionment credit can be allowed for gifts to this fund.

# **Dunson's Creek Dedicates New Church**

Duncan's Creek Church was organized July 23, 1855, with about 25 members. Rev. A. M. Stringer preached the first sermon to a group of people who had congregated under a large oak tree near where the church stands. At that time there were very few churches in this section of the country. Feeling the need for a church, several people started plans for the church. Mr. Hugh Duncan was one of the most interested persons. He gave about four acres of land on which Duncan's Creek Church was erected. Duncan's Creek was a Congregational Methodist Church at that time, later changing to Congregational in 1888. While the church was being built, drinking water was carried from the spring below the church, which is known as Duncan's Creek Branch. In 1859, the first two people were buried in the church cemetery. They were Mrs. Wright and Little Mandy Duncan. Mrs. Wright was the great-grandmother of Mr. Harvey Burel who lived to be 105.

In 1889, plans were made for the second church building. This church was to be 34 x 50 feet, with six lights on each side granting the privilege to change as the committee saw proper. Almost all of the work was done by Mr. Billie Braswell, with his chop ax. He contracted to build the church for seventy-five dollars, and after he paid his hired helpers he had fourteen dollars left for his work. Mr. Braswell was a charter member of the church

and was buried in the church cemetery.

On October 26, 1957, the church members voted to build a new brick church. A building fund was set up for this purpose and in the spring of 1958 we had enough funds to begin the basement of the new church and enough faith to believe we could complete the church building. Mr. C. M. Cain was voted to be overseer of the building and work on the basement was started. Many people donated labor amounting to 1,216 hours of work estimated to be \$2,219.00. On Sunday, Sept. 28, 1958, our final service in the old church building was held.

On Oct. 5, 1958, Sunday School was held in the basement of the new church and on Oct. 12, 1958, our first preaching service was held in the new church basement.

The material and hired labor for the new church cost \$17,806.00; the new pews cost \$2,582.60; pulpit chairs \$141.-63; Sunday School room furniture cost \$223.00. Communion Table cost approximately \$84.00. The church and church property are valued at \$30,000.00. Duncan's Creek Church now has 94 male members and 107 female members, a total of 201.

We have been three years in building the New Church from the beginning of the building fund until Dedication Day, Feb. 26, 1961, and the church is clear of debt. Rev. Charles V. Rary is minister of the church.

### Superintendent's Corner

The annual meeting of the Convention will be held at one of our new churches this year — our church at Knoxville, Tenn.

The church building is not new. It is a familiar church structure in downtown Knoxville and was formerly the Second Presbyterian Church.

It will be beautiful in Tennessee the latter part of April (22nd and 23rd) when the convention will be held. It will be a grand time to make the trip through the mountains and see the Great Smoky Mountains.

Before convention time I hope that the great majority of our churches will have done two things.

First, I hope that the churches will have accepted a quota for the Christian Higher Education Fund. If just a few more churches do so we will have gone over our goal of \$25,000.

Second, I hope that all of our churches will have voted on the United Church constitution and that the great majority will have given approval. This would be a fine way to greet Dr. Hos-

I look forward to seeing you at Knoxville!

# One Great Hour Appeal Directed To Churches

Congregational Christian Churches a'l over the country will be observing ONE GREAT HOUR OF SHARING during the month of March.

While Sunday, March 12, has been designated for the observance on a national basis by the cooperating denominations, local churches will receive offerings for the relief program on the Sunday that best suits the local situation.

This year the Congregational Christian Service Committee is putting greater stress than ever before on the need for generous offerings. The needs around the world for the hungry, the homeless and the suffering are just as great.

But for 1961 the Service Committees share of the apportionment for the national boards and agencies has been reduced from 14% to 11%. This means the Service Committee must depend upon more generous support of ONE GREAT HOUR OF SHARING on the part of the churches in order to carry out its program.

ONE GREAT HOUR OF SHARING offerings should be sent to the convention office.

the denomination's home and overseas mission work. It seeks to explain to the local churches the over-all missionary program of the Congregational Christian Churches and to enlist their support in enlarging this program.

Every church in the convention is entitled to four official youth delegates and one adult advisor to attend the meeting. Overnight entertainment will be provided for these by the local church.

The meals, including the banquet Saturday night, plus the registration fee will total just \$5.00.

Miss Lindianne Roberson, president of the young people, will preside over the sessions.

Every local church youth group should send its dues of 50c per member to Miss Ann Turner, Treasurer, 1768 Indian Hill Road, Birmingham 16, Ala.

The inquiries concerning the annual meeting should be sent to Pilgrim Congregational Church, 3801 Montclair Road, Birmingham 13, Alabama.

# Delmo Director Speaks Women's Spring Rallies

Mrs. Grace Richards Hansen, associate director of Delmo Homes, Lilbourn, Missouri, is the guest speaker for the Spring Rallies of the Women's Fellowships of the Southeast Convention which now are in progress.

Accompanied by Mrs. G. F. Logan, president of the Women's Fellowship of the Southeast Convention, Mrs. Hansen will travel over most of the area of the convention and will speak at eight different rallies.

Mr. and Mrs. Hansen went to Delmo in 1953 and developed the Delmo program together. Mrs. Hansen has been carrying on as director since her husband's death in 1956. They have three children.

Delmo, a group of communities bordering on the Mississippi River, covers parts of seven counties in southeastern Missouri — an area about 125 miles long and 75 miles wide. The extensive property includes 10 villages. It was purchased by the Delmo Housing Corporation, organized in 1945 by a number of Protestant church agencies among which was our own CC Fellowship, to enable low-income occupants of 550 government-built houses to own their own homes.
